

SATYAM TIWARI

B.Tech IT Student — Aspiring AI/ML Engineer

sttiwari9211@gmail.com — +91-8543874104 — Mainpuri, Uttar Pradesh — [LinkedIn](#) — [GitHub](#) — [Portfolio](#)

Career Objective

B.Tech IT student with a strong foundation in programming and analytical thinking, currently learning Python (OOPs, File Handling) and exploring Machine Learning, looking to build a career in Artificial Intelligence and intelligent system development.

Education

B.Tech in Information Technology

Rajkiya Engineering College, Mainpuri

Dr. A.P.J. Abdul Kalam Technical University (AKTU), Lucknow

Currently Pursuing (3rd Year)

Intermediate (+2), 81%

2022–2023

High School, 81%

2020–2021

Projects

Full-Stack Portfolio Website

- Developed a responsive portfolio website using HTML, CSS, JavaScript, Express.js, and MongoDB Atlas.
- Built REST APIs for review management and integrated frontend-backend communication.
- Deployed the application using GitHub Pages and Render.

Phishing Website Detector

- Built phishing detection system using HTML, CSS, and JavaScript.
- Implemented rule-based URL analysis to identify suspicious or malicious websites.
- Tested against 30+ malicious URL patterns

Student Record Management System

- Designed CRUD-based record management system.
- Applied file handling and structured data management concepts.
- Managed records for 40+ student entries

AI & Technical Skills

AI / ML: Introduction to Machine Learning, Rule-Based Systems, NumPy, Pandas, MatPlot

Programming: Python, Java, C, JavaScript

Data Structures: Arrays, Linked Lists, Queue, Stack and Basic Algorithms

Web: HTML, CSS, JavaScript

Tools: VS Code, Git & GitHub

Achievements

- Earned GitHub Pull Shark badge for consistent open-source contribution activity.
- Attended SoftPro technical workshop and received participation certificate.

Experience

- **Freelance LaTeX Developer (2025)** — Formatted and typeset a complete book using LaTeX, handling layout, structure, and print-ready document design for a client.
